Malik Jahanzaib

Full Stack Engineer

malic.jahan@gmail.com　|　+923032791874　|　Rawalpindi, Pakistan

Summary

I am an Entry-Level Full Stack Engineer using modern JavaScript ecosystem and best practices to build modern, efficient, secure and user-friendly web applications. Looking for a remote job in a company with having good reputation and growth opportunities. Having a lack of any skill can be fulfilled by continuous learning.
